Thanks for your interest in our publication and welcome to the neighborhood. We are a volunteer organization. Recently we experienced a transition of the Media Team which included software used to develop the paper. Because of this transition, we did not publish an edition for January. We are working on a viable solution for including a copy of our paper online. We apologize for the inconvenience and hope to have this resolved shortly.

In regards to requests to mail our paper, Gresham Outlook handles our mailing of the paper to Concordia residents. The mailings are determined by mail routes (monthly updated database list) in Concordia and thus the company is not able to accommodate requests outside of Concordia. However, for **a subscription fee of \$25 per year or \$12 for 6 months (~\$2/month)**, we would be happy to mail a copy to you within the United States. For those requesting a copy outside of the United States, please email us at concordianews@yahoo.com for pricing. This fee covers the cost of postage (First Class) and a large envelope. All proceeds go towards funding neighborhood activities such as the egg hunt, Concerts in the Park and the upcoming health fair at St. Charles in March.

Questions about advertising should be directed to **cnabusinessmanager@gmail.com**

Please make checks payable to Concordia News and add **subscription** in the memo field. Our mailing address is:

Thanks for your patience as we improve our distribution and publishing process.

Sincerely,
Media Team
