CNews postings on FB

- Gordon sends Tami the CNews low-res PDF the day after he uploads it to the printer
- Tami publishes the PDF on ConcordiaPDX.org within 2 days of receiving it and notifies Jessica
- Jessica publishes the CNews link on FB as soon as she can (hopefully this will precede delivery of the printed CNews to Concordia homes)
- Nancy lets Tami know – the day after Gordon uploads to the printer – which 4 CNews stories to publish in HTML on ConcordiaPDX.org
 - Nancy's list names which week each of the four stories is needed on ConcordiaPDX.org, and cc's Jessica
- Tami publishes the HTMLs on/near the dates in Nancy's list and notifies Jessica each time
- Jessica publishes the week's HTML on Facebook as soon as she can after receiving notification from Tami
